LOW OR NO

Did 2020 have you overindulging? Us too! Which is why January is a perfect time to let you know that Metro Liquor carries a variety of Low or No alcohol products. You can have all the fun and flavor of the Holiday season without feeling foggy the next day!

Low alcohol wines such as Jackson Triggs Lite and Stoneleigh Lighter have an ABV of just 8-9.5%.

If beer is more your style, we suggest brands such as Partake, Red Racer or Heineken. All are surprisingly flavorful while being light and fresh.

For the first time in Canada, Vancouver Island based Sheringham Distillery now produces 2 Non Alcoholic Gins. Look out for the Lumette series for an addition to your non-alcoholic cocktails.

Happy 2021!
